

About the course:

Dispatcher Communication Training Officer (CTO)

to prepare a probationary dispatcher. . .

teaching & training methodology. Each student will receive a comprehensive CTO training manual that should serve as a documentation and evaluation tool to successfully promote the development of the probationary dispatcher.

This three (3) day course is designed to provide information to a Communication Training Officer (CTO) to prepare a probationary dispatcher with the necessary information to properly and professionally begin their career as a dispatcher communication specialist. The CTO is an integral part of assisting the probationary dispatcher in learning their new job and learning how to apply their skills in the ever changing and hectic communication dispatching environment. The training program will include information on the role of the CTO, the adult learning concepts, performance appraisals & documentation, civil liability issues, coaching and mentoring, team building & motivation, conflict resolution and
