Evidence and Property Room Management
Feb 8 Cost: \$90 Host: Brooklyn PD

This 8 hour program is designed to provide the student with an understanding of the fundamental theories of evidence and property room management. The training includes purpose, role and responsibility of property and evidence controls and a review of the following management requirements: intake, storage, withdrawal, tracking, transfer and return. In addition, bar-coding, software/hardware and special storage considerations for firearms, narcotics, currency and bio-hazards will be discussed. A review of inventory and audit procedures will be provided and methods for disposal and auctions will be discussed. Finally, a brief review of Senate Bill 77 considerations related to DNA will be provided.
