

## About the course:

## "Victims of Crime/Search & Seizure"

Continuing Professional Training under SB #281

In 2008, the OPOTC has required that six (6) hours of training be provided to all Ohio peace officers to comply with the mandatory Continuing Professional Training (CPT) requirements under Senate Bill 281. This seminar should comply with all of the requirements for Continuing Professional Training certification.

The first two (2) hours will be dedicated to Victims of Crime related training as recommended by the OPOTC. The remaining six (6) hours will be dedicated to Search & Seizure issues. The Victims of Crime training will include a review of lesson plans developed by OPOTA: Death Notifications and Bridging the Gap. The Search & Seizure training will discuss the 4<sup>th</sup> Amendment and why law enforcement officers stop people. In addition, the seven major exceptions to the search warrant rule will be discussed with emphasis on stop & frisk, search incident to arrest, probable cause, plain view, plain feel, inventory and consent. The Search & Seizure review will include a thorough review of case decisions rendered by the Ohio Supreme Court and the United States Supreme Court.
