

## About the course:

### "Laws of Arrest & OVI Laws and Standardized Field Sobriety Testing (SFST) Review"

The purpose of this eight (8) hour seminar is to provide advanced training in laws of arrest principles, OVI laws and Standardized Field Sobriety Testing (SFST) review. Two (2) hours of this seminar will meet the mandatory Continuing Professional Training (CPT) requirements for 2009. One of the leading causes of civil liability and damage awards for law enforcement agencies and officers is in the area of false

arrests. Law enforcement agencies have an affirmative duty to train their officers. Advanced training in laws of arrest principles, OVI laws, SFST procedures and constitutional case law practices may minimize the potential for costly and time-consuming lawsuits.
