About the course:

"CPT: Legal Updates

In 2011, the OPOTC required that four (4) hours of training be provided to all Ohio peace officers to comply with the mandatory Continuing Professional Training (CPT) requirements under Senate Bill 281. The four (4) hours of training can be in any law enforcement related topic in order to qualify for reimbursement.

This eight (8) hour legal updates seminar will qualify for CPT training hours. The seminar will include a review of search & seizure, laws of arrest and legal aspects of confessions. Case law decisions from the federal and state appellate courts will be provided. In addition, a review of SB 77 will be conducted to include an update on mandatory DNA testing, audio & videotaping of confessions & line-up issues.
